

# GP-M220

## 2-inch portable printer

Fire-resistant material  
safe and reliable

- Fresh color matching: 88x126x63mm compact design, light weight, easy to carry, easier to hold.
- The appearance is made of fire-resistant material, safer, more reliable and worry-free to use.
- Exclusive free APP: exclusive GPLifeAPP, easy pairing, support batch print labels.
- Bluetooth connection/print anywhere, anytime/wireless
- Equipped with a 1500mAh large-capacity battery and a Type-C charging interface, which makes charging more simple and efficient.
- Easy-loading paper structure: One press to open cover design, supports 25mm-58mm slider stepless adjustment, faster to change paper.
- Auto detecting: supports automatic learning, fast positioning, no paper jams or paper skipping, precise printing.
- APP online upgrade: The printer can be upgraded directly through the dedicated APP.

Wear-resistant print head

## Technical Parameters:

Configuration	GP-M220
Print method	Thermal
Resolution	203DPI
Print speed	30-50mm/s Automatic transmission
Print width	48mm
Print head temperature detection	Thermistor
Paper detection sensor	Two sets of reflective sensors
Sensor location	Left
Button	Power、 Feed
Interface	USB+Bluetooth
USB type	Type-C
Graphic	Monochrome PCX, BMP and other image files.
Paper type	Continuous paper、 label
Paper width	25-58mm
Paper thickness	0.06mm-0.17mm
Paper roll outer diameter	50mm
Paper out	Top paper out
Power	Supply: DC5V 1A
Charging time	≤3h
Standby time	≥72h
Battery printed mileage	≥200 meters (12% printing rate) (25°C)
Battery life	500 times, ≥80%
Battery capacity	3.7V/1500mAh
Work environment	5~40°C, 20~90% non-condensation
Storage environment	-20-55°C, 20-93% non-condensation
Weight (with battery)	240g
Appearance size	88mmx126mmx63mm
Packing size	98mmx155mmx75mm
